PROMOTER: STEP S.R.L. Società Benefit Partita Iva 11125110962 | Sede Legale: Viale Lunigiana 5, Milano 20125 | Sede Operativa: Via Redipuglia 70, Treviglio 24047

## 1. INTRODUCTION. STRUCTURE OF THE CALL

STEP TECH PARK Call for future 2020 (hereinafter “ Call for future 2020 “) is a STEP TECH PARK program aimed at support start-ups fighting GHG emissions.

STEP TECH PARK selects and helps start-ups in line with its missions to supports their development with the aim of launching their carbon negative technologies on the market.

STEP TECH PARK will select up to a maximum of 3 (three) Projects (as defined below) to which it will give access to an Acceleration Program (also as defined below) which will take place at the STEP TECH PARK, Via Redipuglia 70 (hereinafter “STEP TECH PARK”). The start-ups will be selected through a competitive process (hereafter “Call”) whose phases, terms and conditions are described in this regulation (hereafter the “Regulation”).

The Acceleration Program offers concrete support to start-ups to transform their MVP or prototype product and service into a final product ready to enter the market and will take place in the STEP TECH PARK for the duration of approximately 6 months starting from June 22nd, 2020 (hereinafter “Acceleration Program”).

Mentors and Tutors from the PARK, from business and university and potential clients will be involved.

As part of the services of the Acceleration Program offered at the STEP TECH PARK, we highlight:

- access to spaces at STEP TECH PARK;
- tutoring and mentorship for the development of the Project (as defined below);
- training panels functional to the development of the Project;
- participation in networking initiatives with top players in their industry.

The Call will focus on the most promising projects able to reduce green-house gases emission into the atmosphere or to capture and storage them permanently.

## 2. PARTICIPATION REQUIREMENTS

The Call is open to:

(a) natural persons, both Italian and foreign, who have reached the age of majority on 1st of May 2020, that constitute a company, in one of the forms provided for in points (i) to (iv);

(b) companies, both Italian and foreign, which fall into one of the following types:

- i. Limited Liability Company;
- ii. Simplified Limited Liability Company;

iii. Joint-stock company, established in Italy or abroad, or a European Company - EC Regulation 2157/2001 - resident in Italy pursuant to art. 73 of Presidential Decree 22 December 1986 n. 917;

iv. Companies established outside Italy, according to corporate forms corresponding to or similar to those provided for in points (i) to (iii) above and regularly operating in the territories of their creation, it being understood that STEP TECH PARK reserves the right to verify, case by case and at its sole discretion, the suitability and operation of the corporate form adopted for the purpose of signing the Contract (as defined below).

(c) start-ups not formally established yet

Whatever the corporate form, companies that: (1) do not declare to operate in compliance with STEP TECH PARK's Code of Ethics and Conduct, as indicated below; (2) are insolvent and / or subject to insolvency proceedings, or in liquidation.

Start-ups that have submitted a valid Application to this Start-up call, can also participate in future Call, except for the start-ups awarded.

### 3. APPLICATION FORM

It is necessary, under penalty of inadmissibility, to present your business project (hereinafter the "Project") from March 11th to May 15th 2020 included via the website dedicated to the Call.
